7. Connect registration code comes free with a new text. If you are using an old text, you will need to purchase access to Connect during the registration process using a credit card.
8. Schedule for Exams:

9. Grading challenges of exams (or make-ups), and any related issue, must be resolved within a week of the test date otherwise, the original grade stands.
10. Class attendance is expected and there will be no make-up for problems assigned during a class session. A grade of zero will be given for each missing homework or in-class problem assignment after dropping the lowest 2 HW assignments and 4 lowest in-class assignments.
11. If there is a legitimate reason for missing an original examination, the student will be allowed to take the make-up (the student must present to the professor in charge of the section a note from the Dean of Students office). There will be no “making up” for missed make ups for whatever reason.
