Quiz #3 Reference

Quiz #3, scheduled for January 25, 2001, will have a maximum score of 6 points. Partial credit for incomplete answers will not be assigned. Fifteen minutes of recitation time will be allocated for the quiz. So in order to complete the quiz successfully it will be necessary to be very familiar with the problems listed below. The quiz consists of 3 questions. The directions for the quiz are copied below.

Directions: Place your answers in the boxes provided. Partial credit for incomplete answers will not be assigned. Work is to be done without the aid of notes, books, computers, calculators and other people. Each question is assigned three points, so correct answers on two of the three questions will result in the maximum possible quiz score (6 points).

The problems listed below are taken from the the course text (Larson et al). They provide a good starting place for preparation for the Quiz #3.
