

### Math 1520: Weekly Calendar

The sections noted below the lecture are from the textbook: Applied Mathematics for the Managerial, Life, and Social Sciences, 6th Edition, by Soo T. Tan

Almost all lecture days will have i-Clicker questions that will count towards extra credit for your grade. Note that on many lecture days, we may review material from the previous lecture and preview material from the next lecture.

Every recitation day will have a "Recitation Activity" that will count towards 1% of your course grade.

### January-February 2012

| Sunday | Monday                  | Tuesday                              | Wednesday | Thursday         | Friday               | Saturday |
