Homework 5: Due 2/29

Homework 5 will be due Friday, February 29th. You can slide it under my door at Amos Eaton 309.

1. Write by hand or type the solutions to the problems on this part.
   
   (a) Spivak exercise 2-23.
   (b) Spivak exercise 2-29.

2. Problems on this part should be prepared in LaTeX. To obtain a perfect score on these problems, students will need to produce proofs that are rigorous, complete, concise and easy to read. Points will be deducted for horrible grammar, spelling and confusing passages.

   (a) Spivak exercise 1-21.
   (b) Spivak exercise 2-21.
   (c) Spivak exercise 2-33.
