

# 2021 Research Experience for Undergraduates: Physics @ Rensselaer

Astrophysics

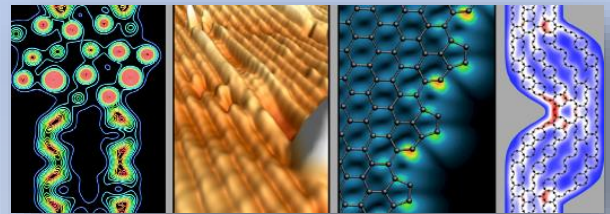

Biophysics

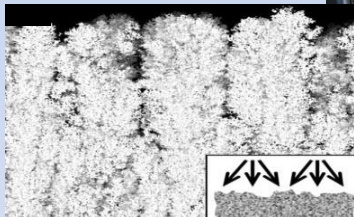

Particle Physics

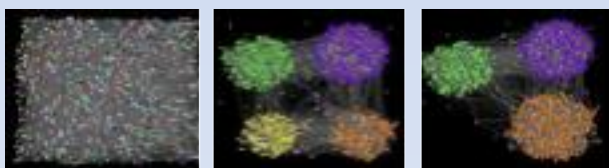

Condensed Matter Theory

Condensed Matter Experiment

Simulation and Complex Networks

## Program details

Period: 10 weeks from late May to early August

Stipend: \$5000 for the term  
Housing is supplied. (Remote participation is possible.)

Subsidy for travel.

Inquiries: [persap@rpi.edu](mailto:persap@rpi.edu)

## Project areas include

- Condensed Matter
- Computational Physics
- Particle Astrophysics
- Galactic Structure
- Geophysics and Geochemistry
- Networks and Complex Systems
- Photonics ,and Optoelectronics
- Energy Conversion
- Biophysics

Apply online at <http://www.rpi.edu/~persap>

Rensselaer Polytechnic Institute is located in Troy, NY on the Hudson River a few hours by train , bus, or car north of New York City.

Rolling admission starts March 1. Applications will be considered until all positions are filled.  
Jonsson-Rowland Science Center, 110 Eight Street, Troy, NY 12180 (518)276-6310 [physicsreu@rpi.edu](mailto:physicsreu@rpi.edu)
